The TEP Foundation, Inc.  
Conflict of Interest Policy and Annual Statement  
For Trustees, Officers, and  
Members of a Committee with Board Delegated Powers

## Article I - Purpose

1. The purpose of this Board conflict of interest policy is to protect The TEP Foundation, Inc.'s interests when it is contemplating entering into a transaction or arrangement that might benefit the private interests of an Officer or Trustee of The TEP Foundation, Inc. or might result in a possible excess benefit transaction.
2. This policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to nonprofit and charitable organizations.
3. This policy is also intended to identify "independent" Trustees.

## Article II - Definitions

1. Interested person -- Any Trustee, Principal officer, or Volunteer of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.
2. Financial interest -- A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
  - a. An ownership or investment interest in any entity with which The TEP Foundation, Inc. has a transaction or arrangement,
  - b. A compensation arrangement with The TEP Foundation, Inc. or with any entity or individual with which The TEP Foundation, Inc. has a transaction or arrangement, or
  - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which The TEP Foundation, Inc. is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. A person who has a financial interest in this policy is based on the IRS model Conflict of Interest policy, which is an attachment to Form 1023. This policy adds information needed to allow The TEP Foundation, Inc. to assess Trustee independence in order to answer questions on Form 990.2. A conflict of interest exists only if the Board or Executive Committee decides that a conflict of interest exists, in accordance with this policy.
3. Independent Trustee -- A Trustee shall be considered "independent" for the purposes of this policy if he is "independent" as defined in the instructions for the IRS 990 form or, until such definition is available, the Trustee: a. is not, and has not been for a period of at least three years, an employee of The TEP Foundation, Inc. or an employee of any entity in which The TEP Foundation, Inc. has a financial interest does not directly or indirectly have a significant business relationship with The TEP Foundation, Inc., which might affect independence in decision-making; b. is not employed as an executive of another corporation where any of The TEP Foundation, Inc.'s executive officers or employees serve on that corporation's compensation committee; and does not have an immediate family member who is an executive officer or

employee of The TEP Foundation, Inc. or who holds a position that has a significant financial relationship with The TEP Foundation, Inc..

### **Article III - Procedures**

1. Duty to Disclose -- In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Board or Executive Committee.
2. Recusal of Self - Any Trustee may recuse himself at any time from involvement in any decision or discussion in which the Trustee believes he has or may have a conflict of interest, without going through the process for determining whether a conflict of interest exists.
3. Determining Whether a Conflict of Interest Exists -- After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he shall leave the Board or Executive Committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or Executive Committee members shall decide if a conflict of interest exists.
4. Procedures for Addressing the Conflict of Interest
  - a. An interested person may make a presentation at the Board or Executive Committee meeting, but after the presentation, he shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
  - b. The Chairperson of the Board or Executive Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
  - c. After exercising due diligence, the Board or Executive Committee shall determine whether The TEP Foundation, Inc. can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
  - d. If a more advantageous transaction or arrangement is not reasonably possible under Circumstances not producing a conflict of interest, the Board or Executive Committee shall determine by a majority vote of the disinterested Trustees whether the transaction or arrangement is in The TEP Foundation, Inc.'s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

### **5. Violations of the Conflicts of Interest Policy**

- a. If the Board or Executive Committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the Board or Executive Committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

### **Article IV - Records of Proceedings**

The minutes of the Board and all committees with board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or Executive Committee's decision as to whether a conflict of interest in fact existed.

b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

4. The Board of Trustees shall regularly and consistently monitor and enforce compliance with this policy by reviewing annual statements and taking such other actions as are necessary for effective oversight.

5. To ensure The TEP Foundation, Inc. does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

a. Whether compensation arrangements and benefits are reasonable, based on competent survey information (if reasonably available), and the result of arm's length bargaining.

b. Whether partnerships, joint ventures, and arrangements with management organizations, if any, conform to The TEP Foundation, Inc.'s written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement or impermissible private benefit or in an excess benefit transaction.

### **Article VII - Use of Outside Experts**
